Substitute Service on a Suitable Age Person: by delivering a true copy of the aforesaid documents to

Raymond Monell – Son,

a person of suitable age and discretion and he stated that he was authorized to accept service of process for the defendant. Said premises is defendant's dwelling place within the state. Deponent knew said person so served to be the person described therein.

Deponent completed service by depositing a copy of same in a first class mailing in a postpaid envelope properly addressed at: Ines Figueroa, 1001 Jerome Avenue, Apartment 9A, Bronx, New York 10452-5763 in an official depository under the exclusive care and custody of the United States Postal Service within New York State. The envelope bore the legend "Personal and Confidential" and did not indicate on the outside thereof, by return address or otherwise, that the communication was from an attorney or concerned an action against the defendant. A first class mailing was effected from the Merrick Post Office, Merrick, NY on 1/6/12 (see attached receipt and certificate of mailing).

Deponent asked Raymond Monell whether defendant was in active military service of the United States or the State of New York in any capacity whatever or is a dependent of anyone in the military and received a negative reply and that the person so served wore ordinary civilian clothes and no military uniform. The source of my information and the grounds of my belief are the conversations and observations above narrated. Upon information and belief I aver that the defendant so served is not in the military service in either New York State or the United States as that term is defined in either the New York statutes or the Federal statutes including the Act of Congress known as the "Soldiers' and Sailors' Civil Relief Act of 1940" and the New York "Soldiers' and Sailors' Civil Relief Act".
